CAMPAIGN CONCEPT

The overarching concept to update its present campaign revolves around Blue Marble's promotion of its one-of-a-kind gift and to deliver a heartwarming message with disruptive visuals across digital channels where the target audience are and to promote. The campaign message is anchored on the importance of providing a very thoughtful present to the audiences' love ones on gift-giving seasons (e.g. Birthdays, Easter, Christmas, etc.). Though not limited to holidays, this card can extend its campaign during: school graduation season, weddings and wedding anniversaries, and other occasions. This campaign gives them inspiration to remind them to: **GIVE YOUR LOVED ONES THE GIFT OF TRAVEL**
